## Media/Photography Release Form 2021-2023

Dear Parents/Guardians/Consumers:

Throughout the year, there are always a number of occasions worthy of sharing with the general public, such as events, announcements, or moments of personal achievement. Often times, this is done through our social media, online website, or print publications. Depending on the circumstance, it is also possible for members of the news media to be on the premises during these occasions, and they may also wish to collect photos, videos or information for their own reporting purposes. When these moments arise, it is important that St. John of God Community Services and its affiliate organizations, The Hospitaller Order of St. John of God and The Hospitaller Brothers of St. John of God—Development Corporation and the Dioceses of Camden ("St. John of God Community Services and Affiliates") know how to proceed with the individual identified below.
