

SchoolMessenger Notification Service

Archbishop Damiano School and St. John of God Community Services utilize SchoolMessenger, which is a leading provider of notification services for parental/caregiver/employee/volunteer outreach, emergency broadcasts, student attendance and general announcements. The system automatically contacts parents/caregivers, employees and volunteers to provide timely communication of a variety of information.

SchoolMessenger is used to complement Archbishop Damiano School and St. John of God Community Services community outreach efforts and emergency preparedness procedures, and to announce upcoming events. Utilization of the SchoolMessenger system is intended to reinforce Archbishop Damiano School and St. John of God Community Services' commitment to remain personally connected to parents, caregivers, employees and volunteers.

Due to new FCC guidelines, St. John of God Community Services and Archbishop Damiano School must have written consent from each individual wishing to receive non-emergency notifications via email, phone or text. Non-emergency messages can include, but are not limited to, general announcements, school events, program-related notifications.

If you would like to join St. John of God Community Services and Archbishop Damiano School's general announcement registry, please fill out you name and information, below.

If you wish to change or revoke your registration at any time, please email communications@sjogcs.org or call Shannon Reyes at (856) 848-4700, ext 1231.
